MEMORANDUM

TO: Directors of Departments and Autonomous Agencies

FROM: Mary A. Lannoye
State Budget Director *MA*

SUBJECT: Executive Directive 2003-17– Travel Restrictions

Executive Directive 2003-17 continues travel restrictions within the Executive Branch effective October 28, 2003, and continuing until September 30, 2004. This memorandum replaces my April 2, 2003, communication on this topic and outlines procedures necessary to implement Executive Directive 2003-17. Any travel financed in whole, or in part, by general fund or state restricted funds is subject to these travel restrictions.

Out-of-State Travel

Out-of-state travel is prohibited unless the situation meets one or more of the criteria listed in Executive Directive 2003-17. Department directors may approve out-of-state travel if one or more of the following criteria are met:

1. The travel is required by legal mandate, court order, or for mandatory law enforcement activities.
2. The travel is necessary to protect the health or safety of Michigan citizens or visitors.
3. The travel is necessary to produce budgetary savings or increased state revenues, including the prevention of the loss of federal funds or securing additional federal funds.
4. The travel is wholly financed by federal or private funds.

There may be other situations that warrant out-of-state travel. In these instances, the attached form (signed by the department director or his/her designee) should be submitted to the State Budget Director for approval prior to making out-of-state travel arrangements. This form is also available on the State Budget Office Web site at <http://www.michigan.gov/budget>. [Note: If your agency has a similar form that you are using for out-of-state travel authorization, you may use your own form instead of the DMB 100c with prior approval from our office. Share a copy of your form with Nancy Duncan to secure approval.]

In-State Travel

During fiscal year 2004, each department director and autonomous agency head is required to limit in-state travel. It is the responsibility of each department and autonomous agency to establish policies and procedures to insure that all in-state travel is critical to the effective and efficient operation of state government.

Reimbursement of Judicial or Legislative Travel

Any department or autonomous agency which finances travel costs of a justice, judge, or legislator, judicial staff, or legislative staff during fiscal year 2004 is required to charge these travel expenses to the State Court Administrative Office, the Secretary of the Senate, or the Clerk of the House of Representatives, as appropriate.

Copies of inter-account billings should be submitted to the State Budget Director, pursuant to year-end closing procedures, for compilation of the statewide report required under Executive Directive 2003-17.

I appreciate your cooperation in implementing this directive. If you have any questions concerning these procedures, please contact Nancy W. Duncan, Deputy State Budget Director at (517) 373-0870.
